When quest re tactics, re decision to restrain to rear near 600m, Rdr said instructed to allow gelding to settle forward where comfortable-added began only fairly, applied pressure to gelding to be forward, however when other runners showed speed, restrained rather than being caught wide-further said rather than continuing in same position & be wide near 600m, shifted in as would have been taken wider round h/turn which would have affected finishing effort.

S. Comments:When asked about the somewhat improved performance, Tnr explained at its most recent start, mare was caught wide and consequently weakened from the race-said mare was bred to race over further distance, and its first start after a break was over an unsuitable distance of 1200m, followed by its most recent start, where it was caught wide throughout-added distance was more suitable and with the addition of ear muffs, its performance was not surprising.
