When asked about tactics, Rdr stated from wide barrier, instructed to take up a position with cover, settling at the rear-said when placed under pressure in the home straight, mare had a tendency to lay in & took some time to get balanced, however, finished the race off strongly over the final 100m-added from a better barrier, would expect mare to settle in a more forward position. |                         |          |          |          |                               |
