S. Comments:When questioned as to whether there was an opportunity to take a run near the 250m, Rdr explained did not wish to expose the mare too soon in the hope mount would finish the race off strongly and was concerned inside runner, which was tiring, may shift out-said was keen to follow favoured runner and was looking to shift to the outside of that horse when that gelding also shifted passing the 200m-added when able to do so, and in clear running, mount went to the line strongly.
