the gelding was not suited by the quick early pace and was unable to take up a forward position, however the horse found the line strongly over the concluding stages. He added that with the step back up in distance today in a smaller field, the gelding was able to take up a forward position and travelled comfortably throughout, which he believed attributed to the improved performance. Trainer G. Cornish agreed with jockey Taylor's assessment.

Comments: Raced in restricted room for a short distance shortly after the start. Trainer questioned regarding tactics whereby the horse led tonight's event, which is in contrast to its recent racing pattern. He said from the wide barriers at its 2 recent starts, it settled more rearward, however from the better barrier he expected the filly to be closer in the run, but was somewhat surprised to see it leading. He said the step up in distance from 1050m to 1200m tonight also assisted the filly in settling in a more forward position.
