He stated the riding tactics were left up to him, however after jumping he elected to take hold of the filly and settle at the rear of the field from the wide barrier. He added however the filly never settled and pulled very hard throughout the event. He advised connections it would be better suited racing in a handier position.

S. Comments:Checked passing the 1100m. Mare raced ungenerously in early stages. Rider reported that after suffering interference he was obliged to make a wide run and as a result the mare's condition gave out over the final 100m. The mare, which was resuming today, had suffered from an interrupted preparation due to recent wet weather. Post race vet exam failed to reveal any abnormalities.

He added, in his opinion, the racing pattern today of making ground from back in the field had not been to Peggy Jean's advantage and it may not have backed up from its unplaced run at Flemington on 8 March 2015.
