Rider said that at its most recent start the gelding had shown a tendency to overrace, however in today's event he was obliged to pressure the horse to hold its position. He added that rounding the turn the horse laid in and continued to do so until approaching the 300m. He indicated that he was disappointed with the performance and recommended to connections to experiment with blinkers on the gelding and also consider dropping the horse back in distance for its next start.

S. Comments: When questioned regarding the performance of the gelding, rider B Stewart stated that his mount travelled well behind a solid tempo in the

He was able to fulfil these instructions and was asked to position the horse wider on the track to obtain an uninterrupted run to the finish. He added the filly responded well from passing the 400m and was doing its best work over the final 200m. He that it would be better suited to races over 1300m and 1400m.
