S. Comments:Change of tactics. Connections advised the horse would be ridden back in the field. Jockey J. Lloyd was asked to comment on the tactics adopted in the early stages. He indicated that he had been instructed to obtain cover, which he attempted to do from the wide barrier, however felt he was going to be forced to position the horse further back in the field than he would have liked and therefore at approximately the 1400m elected to press the horse forward and see if he could obtain cover in a midfield position. He was unable to do so and was obliged to race 4 wide from that point onwards.

Vetted, no significant findings. Trainer A. Willick was advised that the gelding must compete in an official barrier trial prior to its next start.
