S. Comments:SHOW A FLICK – When questioned by Stewards regarding the improved performance, Trainer P. Hill advised that the gelding was having its fourth run back from a spell today and, as it is a genuine middle distance horse, it was suited by the 2000m of today's race. He added that whilst its prior start was also over a middle distance, the gelding was caught wide for the duration on that occasion and, as a consequence, weakened over the concluding stages. Mr. Hill went on to say that, in his opinion, the soft racing surface was also to the gelding's advantage today. Stewards noted the explanation.

S. Comments:Stewards questioned Trainer J Wallace as to the improved performance from its last start. Mr Wallace noted the filly was only having its second start for the stable and at its first start at Murwillumbah on 3 June 2018, had begun awkwardly and lost significant ground at the start. Mr Wallace noted that following that performance he added blinkers, tongue-tie, ear- muffs and barrier blanket to the fillys gear and combined with a good performance in a recent trial he was confident of a forward showing today.

S. Comments:Raced with its head in the air whilst being restrained in the early stages. Jockey A. Allen reported that his mount commenced to overrace after being crossed in the early stages, and he had some difficulty settling the gelding. He added that the gelding raced very one paced today and, in his opinion, may be better suited leading its events rather than being ridden with cover as it was today.
