Orman stated that after almost being dislodged at the start he was obliged to settle further back than he expected. He added that, in his opinion, this had a bearing on horse's overall performance and would be better suited when able to settle further forward. A post race veterinary examination failed to reveal any significant abnormalities.

Apprentice Bayliss indicated that prior to the start he had anticipated settling in a position behind the lead, however the horse began well and he was able to cross the runner to his immediate inside without overly pressuring his mount, and had anticipated allowing another runner to cross to the lead to obtain a trailing position, however this did not eventuate and he felt he established a steady tempo throughout.
