When asked about performance, Rdr said instructed to obtain a forward position, however; upon jumping from the wide barrier, obliged to race wide early and struggled to maintain the early speed and weakened from the 400m-added the step up in distance and rise in class, further contributed to the performance.

When asked about riding near 200m, Rdr stated when another runner had improved quickly in front, was obliged to shift to the inside in an attempt to obtain clear running.
