Added following disappointing performance two starts ago had received treatment for stifle issues and had trialled well. Added gelding began on terms with field today and from wide barrier over longer more suitable distance was able to lead and dictate.

S. Comments:Approaching 1500m raced in restricted room and made contact with DRIVING WHEELS. Rider's comment re performance - stated anticipated settling in handy position with cover however, when began only moderately settled towards rear of field. Added forced wider on home turn and in his view filly finished the race off moderately. Vetted - no abnormalities.

S. Comments:Rider questioned re performance - stated filly travelled well in a handy position during early and middle stages however, failed to respond when placed under pressure upon straightening and proved most disappointing. The only explanation rider able to offer was filly may be better suited ridden more conservatively towards rear of the field.
