S. Comments:Held up round home turn. Laid in marginally near the 200m. Disappointed for a run near the 100m. When questioned re tactics, in particular the decision not to pursue a run near the 500m, Rdr stated approaching 900m, elected to shift from the rail to a one-off position when the pace of the race was only moderate-added near 500m, when racing between runners, was obliged to race in restricted room & mount did not appreciate racing in this & therefore was unable to maintain position between these runners.
