S. Comments:Raced three-wide without cover for the majority. When questioned re ride, Rdr explained intention to lead, and although gelding began well, it was not able to clear inside runners, which were pushing forward early and consequently obliged to race wide without cover-added gelding began to feel the ground over the latter stages and did not feel right in its action. Tnr confirmed tactics & noted gelding being obliged to race wide without cover may have had an affect on its finishing effort. A post-race vet exam revealed a slow recovery.

Held up for clear run in early part of h/straight before improving onto heels approaching 150m & shifted wider. When asked about tactics. Tnr stated intention to have gelding in forward position, however; can have a tendency to begin moderately and if so, gelding was to be ridden with cover. When asked tactics. in particular early part of race, Rdr confirmed gelding had begun moderately in past & added with delay of start, this may have contributed to not beginning as expected.
