| S. Comments:Bumped with another runner on jumping. Steadied near the 700m when another runner shifted in marginally and then was inclined to overrace and had to be steadied for some distance thereafter. Unable to obtain clear running in the home straight and went to the line without being fully tested. |                        |             |     |                                           |
