S. Comments:Slow to begin & hampered shortly after. When quest re ride in the home straight, Rdr stated gelding usually leads & was unsuited to settling at rear-said given the large field shortly before straightening, rather than shifting considerably wide to improve into clear running, elected to ride for luck-added shortly after straightening, attempted to improve but approaching the 300m, another runner shifted in, resulting in the gelding being obliged to shift across to rail but ultimately again was held up passing the 100m and went to the line without being fully tested.
