S. Comments:When questioned regarding the poor performance Jockey explained that the mare raced comfortably in the lead in the early and middle stages, however when asked for an effort prior to straightening for home failed to respond and weakened noticeably. A post-race veterinary examination did not reveal any abnormalities. Trainer was at a loss to explain the poor performance and undertook to advise stewards if anything was amiss with the filly in the days following the event. Trainer since reported that mare had pulled well and it was his intention to freshen the mare prior to its next start.
