S. Comments:Passing the 1200 metres improved onto heels and had to be steadied. When questioned regarding his riding approaching the 600 metres, as to whether there was an opportunity to improve earlier than he did, Jockey said that, bearing in mind that the gelding was first-up since January, rather than attempt to sustain a long wide run, he elected to remain racing on the back of another runner, however when that runner did not quicken as expected, he was obliged to shift out rounding the home turn, where the gelding ran home strongly. His explanation was noted.

S. Comments:Rider accidentally dropped whip near the 250m. Rider questioned regarding horse's performance. He said the gelding did not begin well and as a result settled at the rear of the field, and after passing the 1200m he had to steady the horse and shifted wider. He added that following this the horse commenced to overrace which resulted in him racing three wide for the remainder of the event. He was of the opinion that these circumstances contributed to the overall performance. Vetted and found to be lame in the near foreleg. Vet clearance must be produced prior to the horse racing again.
