S. Comments:When questioned regarding the performance jockey A Sewell stated that after being slow to begin, he was forced to race at the tail of the field in a race without much pace. He added that although he had to steady throughout the middle stages on a few occasions due to this pace, when he asked SERGEANT'S PRIDE for an effort, he was overall disappointed with the gelding's response as it only went fairly to the line whereas he was under the impression that the gelding had more to offer.
