He said that not long after, the horse dropped the bit and became detached from the main body of the field. He added that on straightening he was concerned there was something amiss with the colt and for this reason he did not persist in riding it out. He added that not long after the post the horse made an abnormal breathing noise. Trainer reported the horse was found to have slight bruising to its off front heel.

S. Comments:Slow to begin. Stewards questioned M. Cahill regarding the performance of this gelding, which took no competitive part in the event. He stated that the horse raced greenly and despite his urges would not stretch out. He added that the horse hung from the 800m until entering the home straight. A post-race veterinary examination revealed no abnormalities. Stewards advised trainer R. Heathcote that in light of today's performance CIRCUIT BREAKER would be required to officially trial prior to its next start.
