S. Comments:Connections advised that from the wide barrier it was the intention to ride the gelding further back in the field if circumstances permit. Ridden

accordingly. Jockey N callow advised that the gelding failed to travel during the early and middle stages and was hard ridden from the 700m. He added that in

the home straight the gelding made some late ground however in his opinion was disappointing and maybe looking for races over a further distance than that

of today's event. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Worked keenly to the barriers. Slow to begin. When asked to comment on the performance rider R Maloney stated the horse did not travel comfortably and was under pressure from the 600 metres and was disappointing from that point. A post-race veterinary examination revealed a poor post-race recovery and signs of heat stress. Trainer D Vandyke was advised OLSEN would be required to satisfactorily trial prior to its next race start.
