He added that the horse was under pressure rounding the home turn and was disappointing. Thr expressed his disappointment and added that he sould step the horse up in distance, and undertook to advise stewards should anything come to light in coming days which may have had an effect on the performance.

In Running: /11/10 S. Comments: C. Schmidt indicated she had been asked to ride the horse quietly as it was having its first start back from a spell. She added she was obliged to race further back than anticipated after receiving pressure from another runner at the start. She added that she rode the horse forward from the 500m and

was obliged to alter course back to the inside in order to secure clear running near the 200m, and that approaching the 100m was obliged to steady when placed in restricted room by another runner. She stated that whilst she rides the mare work & is mindful of its racing manners in that when trying to restrain the horse it has a tendency to throw its head in the air and overrace. She further added that approaching the 800m the mare improved onto the heels & instead of fighting against the mare she allowed the mare to improve to its outside which resulted in racing wide for the majority of the race.
