He indicated pre-race the plan was to attempt to secure cover preferably in a midfield position, however after beginning well it became apparent he would be caught wide he then elected to ride forward to secure a position closer to the fence. He added that the horse was having its first start over 1600m and the mare raced keenly in the middle stages. Stewards accepted the explanation.

He then felt that when the favourite improved to the outside he would be better served holding the position to the inside.P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily.He added that KING OF THE CASTLE had trialled during the week and, in hindsight, this may have left the horse a little flat.

S. Comments:Jumped awkwardly and lost ground. T. Harrison reported at scale that her mount was most disappointing and in her opinion may not have backed up from its start on 6 May. Trainer M. Mair agreed that the performance was disappointing and said that he would have blood tests carried out on the horse, the results of which he would report to stewards. He added that he would give consideration to sending the horse for a spell. A post-race veterinary examination revealed no significant findings.

App stated after beginning awkwardly he was obliged to ride gelding to take up customary forward position. Concerned with how much he had to pressure horse early and as such was content to settle outside leader.
