S. Comments:Fractious in the barriers, then began awkwardly, losing ground. A post-race veterinary examination revealed no significant findings. A. Spinks was questioned regarding the horse's disappointing performance. Jockey Spinks stated that after losing ground at the start he contemplated settling towards the rear of the field, however as the speed was only slow in the early stages he elected to improve forward to obtain a forward position as instructed. He added that after travelling well in the middle stages the gelding was under immense pressure from the 700m and proved disappointing.

When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M. Schrapel advised that initially he committed his mount to the outside and by the time he was able to change course to the inside the run was closing and he did not feel it was safe to pressure his mount to improve into that position.
