Murphy indicated that from the wide barrier draw he had been instructed to try to obtain cover and it had not been his intention to settle as far back as he did, however was obliged to do so in order to obtain a position closer to the fence. He added his mount would have settled closer to the lead with a more favourable barrier, and would benefit from a step up in distance next start.

S. Comments:Raced wide without cover whilst overracing in the early stages. Stewards questioned apprentice G. Goldsbury regarding her riding of the horse. Stewards raised concerns that when the pace in the early stages of the race was only steady, whether there had been opportunity for her to allow the mare to stride forward in an attempt to obtain the lead rather than have the horse overrace whilst in a three wide position. Refer Stewards Report.

S. Comments:When questioned regarding the horse's improved performance, trainer S. Kendrick stated that the gelding was hampered on jumping at its first start and unable to muster speed over the 900m which he believed was too short for the gelding. He added that since then the horse has trialled and worked well leading up to today's event and as such he stepped the gelding up to a more suitable journey of 1200m. He said he expected a more forward showing today over the further distance and with the wet track, noting that the gelding is bred to handle the wet, and he was not overly surprised by the win.

S. Comments:Laid out from the 500m and placed its rider at a disadvantage from the 400m. This resulted in the horse becoming very awkward near the 200m when the rider applied significant pressure to the offside rein. After taking evidence from apprentice S. Lacy and trainer R. S. Comments:M. Cahill was asked to comment on the horse's performance. He indicated that after being slightly tardy to begin the horse did not respond to his urgings in the early stages and was reluctant to hold a position. He added that the horse had a tendency to lay out rounding the home turn and in doing so made contact with another runner and then laid out under pressure in the home straight. He indicated that the horse would benefit from a step up in distance.
