stages as it has had a tendency to overrace in the past. He indicated as a result of not pressuring the horse in the early stages he had elected to then steady

and take up a trailing position. He indicated when attempting to have the horse steady, it commenced to overrace and he therefore attempted to stride

forward to the lead. He added the horse hung out throughout and placed him at a disadvantage.

S. Comments:Stable representative Mr A. Homan was questioned regarding the seemingly improved performance. He indicated that the stable had expected a forward showing in today's event, adding the mare had had a brief spell after performing poorly in Townsville on 21 July, which he believed could be attributed to the horse not travelling well in the trip to Townsville. He indicated prior to this, the horse's form had been good and stated that at Doomben on 7 July the horse had worked hard when ridden forward to obtain the lead in the early stages from a wide barrier. Stewards accepted the explanation.
