S. Comments: J. Bayliss stated that the horse travelled comfortably in the early stages of the race, however, when challenged for the lead from the 600m commenced to weaken and did not respond to his riding at any stage over the concluding stages. Jockey Bayliss could not offer any explanation for the performance, which in his opinion was quite disappointing. Trainer S. O'Dea advised that he would discuss the horse's immediate racing future with the owners and undertook to notify stewards should anything come to light in ensuing days which may have had an effect on the horse's performance. Vetted, no abs.

S. Comments: Slow into stride. Bumped by KNUCKLE UP rounding the home turn and then had some difficulty obtaining clear running for a short distance. When asked to comment on the horse's performance, apprentice J. Hodge indicated that the filly travelled well in the run and shortly after straightening. when attempting a tight run, the filly may not have appreciated being cluttered up at that point. He added that once clear the filly finished the race off fairly and in his opinion may not have been suited to today's track conditions.

S. Comments:Overraced and proved difficult to ride in the early stages before its rider elected to push forward and assume the lead near the 900m. Put in some awkward strides rounding the home turn, shifted wider and then was eased down over the final 250m. A post-race veterinary examination determined that the filly may have a wind issue. Connections were advised that a veterinary clearance, including the results of an endoscopic examination, would be required, and that the filly must trial to the satisfaction of stewards, prior to returning to racing.
