S. Comments:Jumped awkwardly, made contact with another runner and lost ground. N. Thomas was asked to comment on the tactics adopted on his mount as the horse was ridden at the tail of the field, which was in contrast to the horse's most recent starts. He indicated that it had been his intention to race in a more forward position, however, after being fractious in the barriers and jumping very awkwardly he was obliged to settle at the tail of the field. Stewards accepted the explanation.

S. Comments:Bumped by another runner at the start. Overraced for a short distance after passing the 1300m when the pace slackened. When asked to comment on the tactics adopted on her mount, particularly where she positioned in the event, apprentice jockey Savva indicated she would have liked to have lead or raced on the pace, which has been the horse's racing pattern, however the horse received a bump from another runner on jumping away and despite her urgings failed to show any early speed and was obliged to settle in the second half of the field. Stewards noted the explanation.

He indicated due to the horse having a lengthy spell in order to undergo throat surgery, the horse had returned at its first start at the Gold Coast on 28 September and had weakened over the concluding stages, and with hindsight was of the view that this was as a result of the horse having its first-up run over 1400m. S. Comments:Bumped by another runner on jumping away. Stewards questioned M. Du Plessis regarding the tactics he adopted as the horse settled further back in the field than at its most recent start. He explained that he had been given no specific instructions, however, from the wide alley he had anticipated that the horse would begin well and he would hopefully be able to take up a forward position. He added that after being bumped in the early stages and horses racing to the inside showing early speed, he elected to restrain to obtain a position closer to the fence with cover.
