 S. Comments:Bumped by another runner on jumping away. Stewards questioned M. Du Plessis regarding the tactics he adopted as the horse settled further back in the field than at its most recent start. He explained that he had been given no specific instructions, however, from the wide alley he had anticipated that the horse would begin well and he would hopefully be able to take up a forward position. He added that after being bumped in the early stages and horses racing to the inside showing early speed, he elected to restrain to obtain a position closer to the fence with cover.
