S. Comments:Had some difficulty obtaining clear running for a short distance approaching the 300m. Laid out before the concluding stages. When questioned regarding the seemingly improved performance, trainer J Johnston stated that at the horses recent starts over shorter distances the gelding has been unable to muster early speed, however has finished its races off strongly. Mr Johnston indicated with the step up in distance to 1800m today, the gelding was able to settle in a more forward position and he had expected a forward showing.
