| S. Comments:When asked to comment on tactics adopted apprentice J Cornish explained instructions were to allow the horse to stride if able to obtain the leading position and that in the middle stages BANGERS AND MAYO was inclined to over-race when leading. She added the gelding was second up today after a freshen up and would derive fitness benefit from the run. A post-race veterinary examination revealed no abnormalities. |                         |                                           |                                        |  |  |
