S. Comments:When questioned regarding the gelding racing further back in the field today, Apprentice explained that he had been instructed to ride the gelding with cover if possible. He said that after passing the 1400 metres when runners to his outside improved, he elected to restrain his mount where it commenced to over-race. However after being crossed the gelding settled. Trainer confirmed the instructions issued, however was reminded of her obligation to inform stewards of any proposed change in tactics.

Fancourt reported that after suffering interference at the start she was obliged to settle further back than anticipated, however when the tempo increased from the 800m the gelding failed to quicken as anticipated and finished the race off only fairly. A. Fancourt was of the opinion that the gelding may not run out a strong mile. Trainer J. Zielke confirmed the stable was somewhat disappointed with the performance and felt it raced a little flat today and would look to start the horse over 1400m next start.

S. Comments:Rounding the turn near the 800 metres took charge of its rider, ran to the outside rail and was restrained out of the race. A post-race veterinary examination revealed that the filly was shin sore. Trainer said that the gelding would now be spelled. Nevertheless, he was advised that prior to racing again the filly will have to perform satisfactorily in a trial.
