| S. Comments:Raced wide throughout. When asked about performance, Rdr stated gelding travelled well until when asked to quicken from near the 400m and failed to stretch out. Tnr said gelding was having its first start on synthetic and it did not handle surface, adding intention not to start gelding on synthetic track again. A post-race vet exam revealed no abs. |                     |                 |     |                                  |
