

S. Comments:Bumped another runner at the start. When questioned regarding the improved performance, trainer M. Nolan advised that the mare was having its first race start since July and had been working well in the lead up to today's event. He added that while he was confident of a forward showing, he was still somewhat surprised the mare was able to win today.

Jockey advised that his instructions were to be in the first three but the gelding did not show early pace and had to be ridden along to hold a position. He added that the horse then only battled to the line and was disappointing. Trainer stated that he expected that the horse would be hard to beat but was very disappointed with the geldings effort and could offer no reason for its moderate performance.

Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.
