Bogenhuber reported to stewards that her mount, which was having its first start tonight, travelled well throughout the event, however when placed under pressure commenced to race greenly and failed to run on as she had expected in the home straight. S. Bogenhuber further added that given the horse was having its first race start tonight it would derive benefit from the race experience on this occasion.

S. Comments:When questioned regarding settling in a forward position jockey G. Colless stated that he had intended to settle in a position with cover however his mount commenced to overrace fiercely approaching the 1000m and rather

than continue to fight it he allowed it to stride forward and settle outside the leader approaching the 800m.

S. Comments:Slow to begin. Rider questioned re tactics stated instructions were to obtain cover as gelding had overraced at its previous 2 starts. Jockey Lloyd added after being slow to begin the gelding commenced to overrace and in his effort to have it settle it lost further ground on the field. Jockey Lloyd further added that the gelding then travelled comfortably and when placed under pressure leaving the 800m commenced to improve and finished the race off well. Jockey Lloyd was of the opinion the gelding would be well suited in a similar pasture to today over further ground. Explanation noted.

S. Comments:Rider questioned re horse's disappointing performance. He said he intended to lead today as he did when riding the horse last start, however failed to muster sufficient speed to obtain that position. He said the horse travelled only reasonably throughout and when placed under pressure ran on only fairly. Trainer expressed disappointment with the performance today, however added that the gelding sweated up quite badly prior to the event which may have contributed to its poor performance. He undertook to advise Stewards of anything that comes to light which may have affected the performance.

S. Comments: Stewards afforded S. Bogenhuber the opportunity to comment on the horse's performance, which was below market expectation. Jockey Bogenhuber stated that after travelling wide in the early stages, she allowed her mount to stride forward to a leading position, which is the gelding's usual racing pattern, however from a point leaving the 500m was under pressure and proved disappointing in its finishing effort, and in her opinion the gelding may have come to the end of its preparation

S. Comments: When guestioned as to the improved performance Trainer J Thomas stated that the gelding had worked well leading into today's race and was hopeful of a forward showing. Mr Thomas added that the slow tempo and the positive ride by Jockey Morris to ride forward to the lead in the middle stages along with the drop in weight and improved fitness, were all factors that contributed to today's improved performance.
