S. Comments:When quest re riding in h/straight, in particular, electing to shift wide to obtain clear running, rather than pursue inside run presented near 250m, Rdr explained after racing ungenerously early, which was attributed to Blks off 1st time, mount began to improve in home straight. Initial intentions were to improve into that inside run, but elected to shift wide after runner in front shifted in momentarily & concerned that runner would continue to shift in & would run out of sufficient racing room. After viewing footage Rdr conceded, could have continued attempting to improve into inside run.
