| S. Comments:Start of this race was delayed when this gelding had the near-fore plate refitted. Tightened for room and lost ground on jumping. Shifted in abruptly near the 700m and caused its rider to become unbalanced, as a result the saddle shifted down the nearside causing apprentice A Jones to be obliged to remove her foot from the offside iron, which placed her at a disadvantage for the remainder of the event and BECAUSE THE NIGHT took no further competitive part. Lost both front plates in running. |                           |             |                                               |

| S. Comments:Raced in restricted room for some distance to the inside of ARGYLE PINK leaving the 700m and continued to race in restricted room until approaching the home turn. Held up for clear running from the entrance to the home straight until approaching the finish line. When asked to comment on tactics leaving the 600m, specifically if there was an opportunity to improve and shift wider on the track, rider S Collett explained after racing awkwardly to the inside of the heels of ARGYLE PINK, she was prevented from improving as TORUN had improved quickly to her outside at that point of the race. |                     |              |                                                  |

| S. Comments:Tightened for room and checked at the start. Rider reported that, as a result of tightening at the start, he was obliged to race further back in the field than he would have liked. Held up for clear running when attempting a narrow runner near the 200m. Checked leaving 900m and became awkward shifting out. |                    |                     |                                                 |
