Then obliged to shift out before being held up at heels for the remainder of the event and was unable to be fully tested to the finishing line. When asked about tactics adopted, in particular decision not to elect to improve into a 3 wide position near the 900m, Rdr explained mount was inclined to lay in throughout and over-race & as gelding is relatively lightly raced it may not have been capable of sustaining a wide run from back in the field.

Laid in upon entering the home straight and continued to lay in under pressure down the running, obliging rdr to correct mount and subsequently went to the line unable to be fully tested. Rdr reported when mount was slow away, was mindful of instructions not to pressure mare early to improve and allow it to travel comfortably-said elected not to make run wide and near the 600m, momentarily eased to take an inside run-added gelding laid in under pressure in the home straight, which had an effect on the finishing position.
