S. Comments:When questioned, rider explained that after being caught wide early, he then elected to ease to obtain a position closer to the rail and as a result settled further back than he had intended. He added that he was then momentarily held up for a run prior to the home turn however, after gaining clear running at the entrance to the straight the gelding was in his opinion slightly disappointing. A post race veterinary examination failed to reveal any abnormalities.

Mrs Kalinowski stated that, in her opinion, today's race was a step back in class, having raced in stronger company at its most recent starts. Rider questioned re tactics adopted in the early stages - instructed to obtain a handy position but not to ride the gelding vigorously in the early stages as it had shown a tendency to overrace. For this reason he was unable to maintain a trailing position behind BELEGIC and as a result near the 900m had to be steadied form the heels of HYDRAZIN. Trainer confirmed instructions and express disappointment in overall performance. Vetted - sustained a laceration to the off hind coronet. A swab sample was taken.
