S. Comments:Held up for clear run from passing 400m until passing 200m. When questioned re riding of mare, particularly in home straight, Rdr said with expected fast tempo, looking to settle behind lead; however, mare did not show usual early speed & settled further back-said mare hung out in middle stages & approaching h/turn; & felt was commencing to feel track conditions-added for this reason, did not place SHANNON'S LEGACY under pressure over the final 200m. A post-race vet exam revealed no abs. Rdr notified lack of vigour in straight particularly had come under notice & must report such things.				In Running: 8/9/11

S. Comments:Raced keenly near the 600m. Performed below market expectations. Underwent a post-race veterinary examination which failed to reveal any significant abnormalities. Rider was unable to offer any explanation for the performance. Trainer advised that the filly, which settled just off the pace, may have struggled to run on with the firmer track conditions. Trainer added further that he felt the notable betting fluctuations weren't all together justified and that the stable had not supported the filly with bookmakers on this occasion.
