| S. Comments:Underwent a pre-race veterinary examination after racing at Gladstone on Saturday, 19 April 2025 and was cleared to start. Began awkwardly and lost ground. Shifted ground momentarily near the 200m. Laid in under pressure over the concluding stages. When asked to comment on the performance, rider advised that in his opinion, the mare raced flat throughout the event and may have been feeling the effects of recent racing. |                           |                   |                       |
