S. Comments:Rdr reported on straightening attempted to improve between runners, however passing 300m, mount failed to respond to riding & was reluctant to improve into the run. When asked about performance, Tnr's rep stated had been pleased with gelding's work leading into event & stable was unaffected by the recent weather conditions-added given gelding had an interrupted run in the home straight between runners, the gelding was unable to sprint with the large weight when obtaining clear running over the concluding stages. A post-race vet exam revealed no abs.
