S. Comments:When questioned by Stewards regarding the performance, Apprentice J. Murphy advised that the mare travelled well in the run until a point near the 700m, where he felt that his mount came off the bit. He added that when placed under pressure in the home straight, the horse failed to respond to his riding and proved disappointing. Trainer Mr. L. Hatch advised that in light of today's performance the mare will be spelled immediately. A post-race veterinary examination revealed no apparent abnormalities.

Rider questioned re performance - stated allowed mare to race in normal racing position at rear of field and at a point passing 600m applied some pressure and it commenced to hang out from that point on. Upon straightening not totally comfortable with its action and therefore did not apply any more pressure over concluding stages. Vetted - no abnormalities.

Trainer L. S. Comments:When questioned regarding the horse's seemingly improved performance, trainer G. Schwenke stated that he specifically targeted this race today as in his view the track and surface would best suit the gelding. He added that the gelding also races best when in a forward position, as it did at its most recent start, and more particularly when it is allowed to dictate the tempo. After reviewing the horse's recent performances, stewards noted Mr Schwenke's explanation.
