Laid in upon entering the home straight and continued to lay in under pressure down the running, obliging rdr to correct mount and subsequently went to the line unable to be fully tested. Rdr reported when mount was slow away, was mindful of instructions not to pressure mare early to improve and allow it to travel comfortably-said elected not to make run wide and near the 600m, momentarily eased to take an inside run-added gelding laid in under pressure in the home straight, which had an effect on the finishing position.
