S. Comments:When asked about the somewhat improved performance, Tnr explained at its most recent start, mare was caught wide and consequently
weakened from the race-said mare was bred to race over further distance, and its first start after a break was over an unsuitable distance of 1200m,
followed by its most recent start, where it was caught wide throughout-added distance was more suitable and with the addition of ear muffs, its performance
was not surprising.
