He added that a short distance after leaving the 600m he would have liked to improve more into the race, however was held up momentarily and was afforded clear running when rounding the home turn and found the line only fairly and in his opinion was somewhat disappointing in the run to the finish.

He added that his mount was left flat-footed when the leaders sprinted and he was unable to make ground quickly and was held up over the concluding stages when CAILLEBOTTE shifted back in.
