S. Comments:Rider questioned re disappointing performance - stated had a nice trail behind SPRING TYCOON in early and middle stages however, when placed under pressure prior to home turn did not respond to his riding and was making an abnormal respiratory noise and immediately lost ground. Added eased gelding out of the event near 200m and near 100m shied and he became unbalanced. Veterinary surgeon advised that gelding previously undergone throat surgery and as such vet clearance, ECG and barrier trial required.

S. Comments:Rider afforded opportunity to comment re performance - explained the colt began only fairly and therefore elected to race towards the rear of the field to obtain cover. Added when pace of the race steadied from 1000m to 600m the colt commenced to overrace and in his opinion was not comfortable in today's track conditions. Further added that the colt failed to sprint when placed under pressure and found the line fairly and also added it may be better suited over further distances.
