S. Comments:Upon returning to scale Jockey M McGillivray reported that from the awkward barrier he was obliged to pressure the gelding in the early stages to obtain a position closer to the fence which resulted in him racing further forward than anticipated. As a consequence, the gelding then over-raced during the middle stages and when racing close to the heels of DENBERN passing the 600m, he was obliged to shift out to improve earlier than he otherwise would have liked.

S. Comments:Slow to begin. When questioned regarding the expected performance of the horse, trainer B. Dais explained that the gelding had not started for over 12 months but had trialed well in blinkers leading up to today's event. He was of the opinion that the gelding, from a favourable barrier, would be competitive. Stewards noted that the gelding was well supported in betting. Mr Dais advised that he and connections had only a small investment on the gelding today.

S. Comments:Stewards sought an explanation from R. Stewart regarding him not riding his mount out in the home straight in his normal manner. R. Stewart explained that his mount was under heavy pressure prior to the home turn and did not handle the rain-affected track. He added that when KEREMA MORI weakened noticeably over the final stages, he began riding with some vigour after becoming aware that an opportunity existed to run 4th. Stewards cautioned R. Stewart and reminded him of his obligations to at all times test his mounts to the end of the race.

He said he could have been in a more forward position however he would have been caught wide and restrained to the tail of the field. He also had been instructed not to shift too wide on the home turn as connections did not wish the horse to be positioned wide when being asked to improve into the race
