She added that, in her opinion, the gelding may not have been suited by the step-up in distance today, and may not have handled the track conditions. A post-race veterinary examination of the gelding revealed no apparent abnormalities.

S. Comments:Slow to begin before mustering speed under hard riding to occupy a forward position. When questioned regarding the seemingly disappointing performance of the horse, which started a short-priced favourite, rider J. Lloyd explained that his instructions were to make use of the favourable barrier and after beginning slowly he then elected to push forward on the colt as it had led in its most recent trial. He also noted that the horse made some abnormal respiratory noises in running and had to work hard to hold a position. He also noted that the horse may have choked down and was disappointing.

She added that in the lead up to today's event the gelding had worked well and had won a recent barrier trial at Beaudesert and she expected a forward showing today.

S. Comments:Raced 3 wide throughout. When questioned by Stewards regarding the performance, jockey L. Dittman advised that after being caught wide in the early stages his mount commenced to overrace and failed to settle. He added that, in his opinion, the gelding did not handle the Toowoomba track today, and would be better suited when able to settle on the speed. Stewards noted the explanation.
