Put in some awkward strides rounding the home turn, shifted wider and then was eased down over the final 250m. A post-race veterinary examination determined that the filly may have a wind issue. Connections were advised that a veterinary clearance, including the results of an endoscopic examination, would be required, and that the filly must trial to the satisfaction of stewards, prior to returning to racing.

S. Comments:Began awkwardly and made heavy contact with another runner. Jockey A. Fancourt reported that the filly travelled comfortably in a forward position throughout the race, despite being challenged by another runner to its outside. She added that, in her opinion, bearing in mind the manner in which the filly pulled up after the race, it would derive a significant fitness benefit from the run today.
