| S. Comments:Bumped on jumping. Laid in when placed under pressure near the 200m, obliging Rdr to stop riding and correct mount. When questioned re settling in a forward position outside of the leader, Rdr advised filly was slowly away at its last start, however, today began well, & was the intention to obtain cover, however, when it became apparent early would be unable to obtain a position with cover, therefore allowed filly to settle in a position outside of the leader. Lost its off-hind plate in running. |                     |               |                                         |
